## Perinatal Support Skills & Group Facilitation workshop Now in a convenient online format!

Led by our experienced facilitators, this training will benefit health care providers, support workers and community members who have contact with pregnant and/or postpartum mothers of young children.

**Thursdays 7 to 8 pm PST, April 13 to May 25, 2017**

Topics will include:

- What is postpartum depression? anxiety? a difficult adjustment?
- Risk factors for PPD/A
- The role of motherhood myths
- New parenthood's impact on relationships
- Risk management, intake and assessment
- Individual support skills and techniques
- Group facilitation skills and techniques

**This training will take place in an interactive webinar format, and will make use of videos, exercises and real-time class discussions.** Some out-of-class work, including viewing videos and participating in online discussion in a private Facebook group, will be required to prepare for each session. (Approx. one hour per week).

**Technical requirements:** To participate you must have access to an internet-enabled device, preferably with a webcam or microphone, which has a browser and can view videos and .pdf files.

**Tuition: \$300/participant**

**Class size is limited. Please register soon as we anticipate filling up! Register by email to [linda@postpartum.org](mailto:linda@postpartum.org), then please mail a cheque using the form on the second page or use the link for credit card payment. For more information regarding the training, please contact Linda King at [linda@postpartum.org](mailto:linda@postpartum.org).**

Our mission is to end the isolation and distress experienced by many women and their families with the profound life change that accompanies the birth or adoption of a child.
